Chapel: More Hands-On Time

Sung-Eun Choi and Steve Deitz

Cray Inc.

Hands-On Info

- Using Chapel v1.1 on multiple locales
    - (For using Chapel from the USB stick)
    - See instructions in chapel-1.1/chapel/doc/README.multilocale
    - Rebuild the compiler and runtime
    - Compile and run a simple example
- Structured exercise
    - Write data-parallel and/or multi-locale Monte Carlo simulation
    - See handout for framework, steps 3—5
- Freeform exploration
    - Write more code of interest in Chapel
    - Peruse the examples and documentation
- Useful links
    - Chapel Home Page: http://chapel.cray.com/
    - Chapel SourceForge: http://sourceforge.net/projects/chapel/
